6 MONTHS

of Football Leagues, Music Concerts, Lego Showcases (from August 2025 - January 2026) culminating into National Finals at Bengaluru.

We invite you to help make a lasting impact on the lives of 600 underserved children traveling from across the country to Bengaluru for the Elevate National Finals. These children, studying in government schools, will arrive on Friday, 6th February, and return on Sunday night, 8th February—many of them leaving their hometowns for the very first time. For these young dreamers, this experience represents hope, growth, and opportunity. We call upon hospitality entrepreneurs like you to sponsor their accommodation during their stay, ensuring they have a clean and secure place to rest.

Your support will mean the world to these children, making them feel valued and cared for during this transformative journey.

ABOUT ELEVATE 2026:

Elevate is the annual flagship event of Enabling Leadership that celebrates excellence. More than just a competition, it offers children from government schools and low-income communities the opportunity to showcase their skills and knowledge they have acquired through Enabling Leadership's programs. Elevate competitions encompass mixed-gender football leagues, music performances, and Lego showcases that culminate in National Finals at Bengaluru. In the previous three editions, more than 10,000 under-served children put up an unprecedented display of teamwork, creative thinking, and decision making at the regional leagues. Around 800 students who qualify the regional rounds get the rare opportunity to participate in the National Finals.

Elevate is a series of 30+ events leading to the National Finals in February 2026!
